EXPERIENCE

Money Matters - Learning Strategist

Jan 2026 – Present

- Crafted tailored content designed specifically for target audiences; achieved impressive results including direct interaction from more than five thousand users during the campaign's peak period within two months.
- Analysed Instagram Insights and A/B testing to optimize content, driving a 20% increase in follower growth through data-driven decision-making.
- Orchestrated communication strategies integrating offline events with online platforms, achieving a 25% surge in audience interaction and exceeding initial targets.
- Conducted training workshops on personal finance, designing curriculum and facilitating interactive sessions for participants to improve financial literacy.

Trend Mela - Social Media Manager

Jul 2025 – Feb 2026

- Managed Instagram using Social Media Management + Content Strategy, publishing 65+ posts (Reels, Carousels, Static).
- Generated 15K–20K views/post using hook writing, trend research & content optimization.
- Scheduled and published content using Meta Business Suite (Content Scheduling Tool), maintaining 4–5 posts/week.
- Executed paid promotions using Meta Ads Manager, supporting visibility and campaign reach.

PROJECTS

Content Strategy Execution - Trendmela.net

- Designed 25+ creatives using Canva to produce scroll-stopping visuals with optimized captions, targeting the engagement.
- Spearheaded content strategy at Trend Mela, focusing on quantifiable achievements and brand awareness.
- Directed financial literacy workshops targeting young adults, focusing on bud geting, saving, and investment strategies.
- Applied content positioning & brand messaging strategy to improve audience retention.

Instagram Growth System - Trendmela

- Engineered A/B testing on content formats; analysed performance of reels versus carousel posts; optimized posting timing. Achieved 25% to 40% higher engagement on carousel posts.
- Orchestrated a robust content strategy; developed audience-focused content using hooks, trends, and relatable formats to drive interaction. Increased overall engagement rate by 50%.
- Streamlined posting and content management processes; implemented a consistent posting schedule of 4-5 posts per week using Meta Business Suite for optimal visibility. Improved algorithm performance leading to a 73% increase in reach.
- Spearheaded quarterly performance evaluations; conducted rigorous analysis against competitor benchmarks; presented findings to senior management for strategic adjustments. Identified actionable insights leading to a 28% improvement in campaign effectiveness.

ACHIEVEMENTS

- Managed end-to-end content lifecycle Ideation → Design → Scheduling → Analytics using Meta Business Suite + Canva.
- Enhanced overall brand visibility and positioning by implementing strategic content planning that enhances average post engagement rate to above industry standards within three months of execution.
